The EPS@ISEP is a one semester study programme (30 ECTU) in English offered to international 3rd year Engineering students. The programme comprises a 20 ECTU Project plus a group of 10 ECTU intensive seminars on Team Building & Project Management, Marketing & Communication, Ethics & Deontology, Energy & Sustainable Development and Portuguese. It is a project based learning offer with emphasis on teamwork effort, involving groups of students from different engineering backgrounds and cultures, to solve real world multidisciplinary problems.
